

HOLISTIC FENG SHUI Assessment Report CLIENT INFORMATION FORM

Thank you for ordering Holistic Feng Shui Assessment. I very much hope that the interpretations will help you understand the various layers of energy within your living spaces that influence events and happenings, and help you make the right choices for a harmonious future.

Let's begin with some basic information...

A Holistic Feng Shui Assessment uses various forms of interpretation and is uniquely based on authentic Flying Stars techniques. It is not part of any other school of Feng Shui but comprises a Holistic Feng Shui outlook on energetic interpretation that follows my personal studies into the most authentic tradition of Flying Stars Feng Shui as outlined in The IChing / The Book of Changes, along with extensive energy work with other esoteric knowledge fields.
